BACK ALLEYS ARE NOT FOR PARKING!!

The Council for the Resort Village of Etters Beach would like to remind you of the following information:

Back alleys and road ways are NOT for the storage of travel trailers, utility trailers, boat docks, or any other items.

Council asks that residents remove all such items from municipal roadways, alleys and easements which may obstruct and prevent access by Emergency Vehicles.

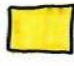

Council anticipates your immediate attention to this request.

POTENTIAL BEAR SIGHTINGS!

Just a reminder that Bears can smell your hotdogs, marshmallows and other foods from far away. To avoid a visit from a hungry bear, you should:

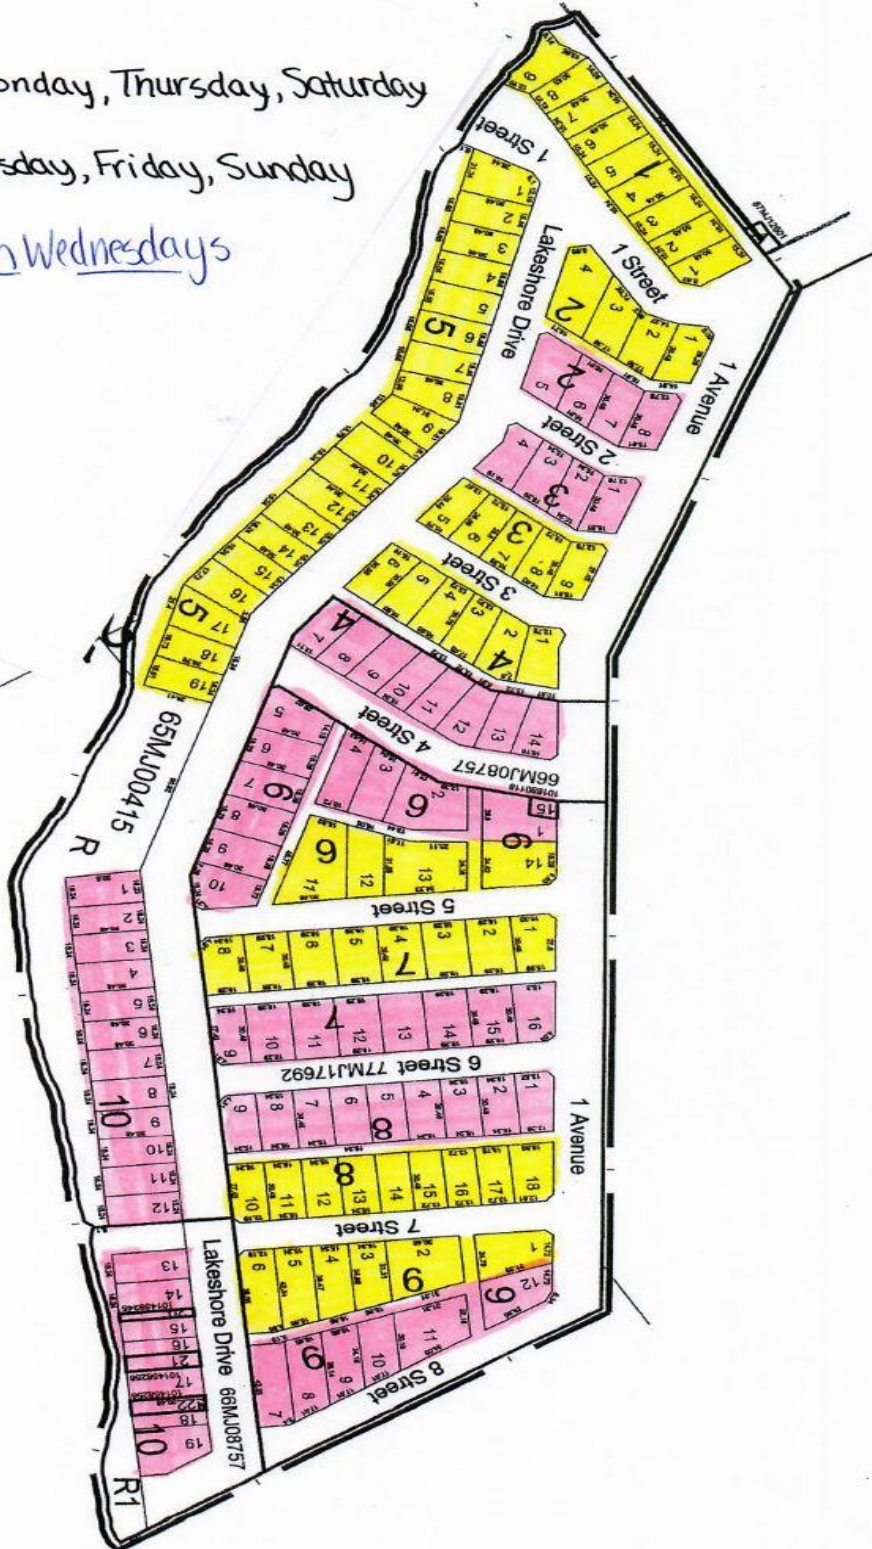

- Keep your campsite/yard clean
- Store food and drinks securely (inside your vehicle or RV – never in a tent!)
- Dispose of trash in the garbage cans provided
- Never approach or feed a Bear
- Report Bear sightings to Gord or one of the Village Councillors
