

ETTERS BEACH COMMUNITY NOTICE

Volume 1/ Issue 2

REMINDER....

We have an area in the Etters Beach Recreation Site for winter storage. Boat lifts as well as Fish Shacks may also be stored there between the bush pile and launch area over the winter. Please be advised that anything left in this area is left at your own risk.

Residents of Etters Beach can store items here for FREE!

The office requires information on items being stored in this area and the cost to store there is \$175.00 per item. So please let the office know if you plan on storing an item over the winter. In the event that you do not provide this information, your trailer/boat will be towed away from the area at your own expense. It is not a right but rather a privilege.
